

Dear The Skating,

Spring is definitely in the air here in Boston, and we are excited to be in our one-year countdown to the event. Welcome to all our new All-Event ticket holders to our monthly email communication. We hope everyone finds these emails to be informative.

Below are this month's quick updates and notes for the 2025 World Championships.

### Hotels

Our apologies to the folks who experienced challenges when the links for hotel reservations opened on April 1st. There were some early issues with the booking links the hotels provided which we did our best to get quickly resolved. But there were frustrations nonetheless. I think our spectators took many of these hotels by surprise with the early, high demand for rooms. Several hotels in or near the West End sold out almost immediately. As room rates in and around TD Garden now increase due to the demand and pre-booked occupancy, we encourage folks to consider the Copley Square hotels ([Sheraton](#), [Westin](#) and [Colonnade](#) to name a few) in our official block that offer some of the best rates you will ever find at a full-service Boston hotel.

We will soon be adding a few hotels to our list so please, if you haven't booked a room yet, continue to check our [hotel page](#) for updates.

### Meet Boston Partnership

Those who stopped by our booth in Montreal will have noticed that Meet Boston, Boston's convention and visitor's bureau, was in attendance directly adjacent to us. Meet Boston is our new official marketing partner and will be promoting Boston and all it has to offer as a premier tourist destination. This will include all sorts of information on what Boston has to offer including restaurants, bars, museums, cultural events and other fun things to do while you're in town for the Championships. Check out their [website](#) for details.

### Update for Tickets

We recently met with representatives of the ISU, U.S. Figure Skating, and TD Garden to review the ticket manifest (seating chart) so that we can move to the next step to provide digital tickets for all All-Event tickets sold to date. Please know that you have not been forgotten and your tickets have not been lost or resold.

### **\*\*PRIZE WINNERS \*\***

Thanks to all who entered our contests in March. CONGRATS to our **trivia contest winner Kristina Berkeley** and our **hotel stay winner (from the onsite contest in Montreal) Peggy Stella**. Kristina was one of several All-Event ticket holders who correctly guessed that 1953 and 1955 World Champion Tenley Albright (born in Newton Centre, Mass.) and 1996 World Champion Todd Eldredge (born in Chatham, Mass.) were the answer to our question in the March All-Event email: "How many World Champions were born in Massachusetts, USA and provide their name(s)?"

If you have any specific questions not answered above or addressed in the [FAQ](#) section of our website, please feel free to contact us at [info@isuworlds2025.com](mailto:info@isuworlds2025.com).

Thank you,

Ben Anderson
